KBB WORLDWIDE EXPERT OF
AUTOMATIC DOOR

Speaking cellphone while you passing through the door, you don't even notice its rolling, Since assembled top grade SIEMENS Motor brings extreme Stability & Silence!

Silence

Pushing shopping cart while your wife going across it, even rush hour easily straightway. Proudly to be the unique Revolving/ Sliding/ Swing integrated at the same time!

Powerful

Jumping cheerly then your child stops to tie shoes in it, the door sense and respond accordingly. Jointing more than 20 Radars & photocells, controls run/stop, anti-collision/squeeze, caringly!

Joyful
